How to use this dental plan

For In-Network benefits, members select a Delta Dental PPO dentist from our directory which is on our website at www.DeltaDentalOR.com. Each family member may choose a different dentist. If you receive care from a dental provider not in the Delta Dental PPO Network, Out-of-Network coverage levels apply.

When the member visits:

Delta Dental PPO Dentists:

Benefits are paid at the PPO benefit level. Members are held harmless from balance billing (will not be billed for the difference between the dentist's billed charge and the Delta Dental PPO fee).

Delta Dental Premier Dentist, Non PPO:

Benefits are paid at the Out of Network benefit level. Members may be held liable for the difference between the dentist's billed charge and the non-participating allowable.

Non Participating Dentists:

Benefits are paid at the Out of Network benefit level. Members may be held liable for the difference between the dentist's billed charge and the non-participating allowable.
