

## Think preventive first when it comes to your dental care

Seeing your dentist regularly helps prevent serious and expensive services down the road. As a Delta Dental of Oregon member, your employer offers a preventive first dental plan.

Under these plans, preventive services do not apply to your annual maximum.

Preventive services may include:

- Routine exams/X-rays
- Regular cleanings
- Periodontal maintenance

By saving on preventive care, you can use your annual maximum for services including:

- Treatment of diseases of the gums
- Fillings
- Oral surgeries
- Crowns
- Dentures and bridges
