Individual & family

We're committed to making healthcare work better for everyone.

We realize that truly standing by this commitment means understanding that this goal isn't one of equality – it's one of equity. It means truly seeing our members, hearing their unique needs, and acknowledging that those unique needs are often directly tied to systemic disparities that exist in not only the communities we serve, but also throughout our entire country. And paramount to being empowered with this knowledge, it means doing everything we can to understand how to participate in building a more just society.

As a company, we have been working for many years to forge ways that weave the pillars of DEI into everything we do.

Diversity:

We value, respect and celebrate people of all backgrounds, identities, and abilities and actively seek to identify how uniqueness makes us better.

Equity:

We strive to understand the underlying causes of outcome disparities and actively work toward increasing justice and fairness in our processes, procedures and systems – both within our company and within our communities.

Inclusion:

We are committed to creating environments wherein every individual has an equal opportunity to belong and can be recognized for their inherent worth and dignity.

Social injustices have served as a reminder of how crucial it is for these elements to be a measure in doing right by our employees and communities. Crises that disproportionately affect communities of color and other marginalized groups continue to leave us feeling helpless at times. But at our core, we believe that with a new day comes the opportunity to be better – to work harder and faster to create measurable change.

Through this lens, continuing to establish equity within our own walls is crucial. By not just building a more diverse workforce, but also by supporting that workforce through inclusion, education, and opportunity. And by creating spaces that allow for crucial conversations and transparency at all levels.

We fully embrace these efforts that will better equip us to support our communities. We know these goals will not be achieved overnight, but they are achievable and we are committed.

We will be better. We will do better. It is the right thing to do and we expect it of ourselves.

Coverage options

Choosing the plan that's right for you

We offer three types of dental plans. Getting the right coverage for you and your family has never been easier.

Delta Dental PPO™ plan

This plan offers a broad range of both services and providers. You receive in-network benefits when seeing a Delta Dental PPO™ Network dentist. For out-of-network benefits, you can save money by seeing providers in the Delta Dental Premier® Network. In both cases, providers accept the Delta Dental contracted fee, so there will be no additional balance billing charge.

Delta Dental EPO™ plan

This plan gives you a higher level of benefits than the PPO plan, but you must see Delta Dental PPO™-contracted providers to receive a benefit. This exclusive provider option does not pay for services provided from a Premier or non-contracted dentist. Care from providers outside this network is not covered, except for emergency services.

Delta Dental PPO™ Bright Smiles plan

This PPO plan is available for all individual members, but benefits only cover children under age 19. You receive in-network benefits when seeing a Delta Dental PPO™ Network dentist. For out-of-network benefits, you can save money by seeing providers in the Delta Dental Premier® Network. In both cases, providers accept the Delta Dental contracted fee, so there will be no additional balance billing charge.

Delta Dental® networks go where you go

Each Delta Dental of Oregon plan comes with a Delta Dental network. It includes thousands of dentists with statewide and national access.

In-network dentists agree to accept our contracted fees as full payment. This means they don't balance bill — the difference between the allowed amount and the dentist's billed charge. This can help you save on out-of-pocket costs. If you see providers outside the network, you may pay more for care.

Delta Dental PPO™ Network

This is one of the largest preferred provider organization (PPO) dental networks in Oregon and across the country. It includes more than 1,300 participating providers in Oregon and offers access to over 113,000 Delta Dental PPO™ dentists nationwide.

Is my dentist in the network?

To find out, visit modahealth.com/PPOdentists. Choose a dental network and look for participating dentists in your area.

Plan Rates

Calculate what you pay each month

Our plans offer competitive premiums — the amount you pay each month for coverage. If you want great benefits and value, you’re in good hands.

What affects your premium?

The plan, your age and the ages of your dependents may affect your premium amount. If you have more than three dependents under age 21 on the plan, you will only be charged a premium for the first three. Child dependents ages 21 through 25 have a premium based on their actual age.

Having a birthday during a plan year won’t affect your current premium. When you renew your plan in January, your premium will reflect the current plan amount for your age.

Yearly premium updates

We adjust premiums for individual and family plans each year. You’ll receive a renewal notice prior to the new plan effective date explaining any changes to your plan and premium.

How your premium could change

2022 premiums are effective Jan. 1, 2022 through Dec. 31, 2022. Your premium could change during the plan year if you add a family member through a special enrollment. If that happens, in most cases the new premium is effective the first of the month following the special enrollment event. Your premium may also change if you remove a family member.

Dental plan premiums

These premiums apply to members who live anywhere in Oregon.

Answers to your questions

What payment methods do you accept?

We accept electronic funds transfer (EFT) from a savings or checking account, and ACH (automated clearing house) payments, checks and money orders. Just select the billing and payment option that is best for you:

- **Paper bill.** We'll send you a paper bill in the mail every month. You can mail back your payment in the enclosed envelope or make a payment through electronic funds transfer or eBill.
- **Electronic funds transfer (EFT).** There are three ways to sign up for EFT. You may complete the online application form, the paper application, or contact us and we can help you complete the authorization form. EFT takes place around the fifth of the month and typically takes one or two days to post to your account. Your initial payment may occur on a later date if the enrollment is processed after the fifth of the month. Your premium invoice will be paperless, located in the eBill section of your Member Dashboard.
- **eBill,** our electronic billing service. You can review your premium invoice and make payments online through your Member Dashboard, your personalized member website. You will be sent a paper bill and can go online to select paperless billing. You can set up recurring payments or initiate a payment each month. Visit DeltaDentalOR.com to log in to your Member Dashboard account. If you don't have an account, you can create one.

How will I make my first premium payment?

You'll receive your first premium invoice prior to your effective date, either by mail or by email. If you enrolled directly through us, use the payment method you chose during enrollment to pay your premium. If you enrolled through the Marketplace, HealthCare.gov, make your payment using one of the methods listed in your welcome letter. Once your first invoice is ready, you can log in to your Member Dashboard to manage your payment method and set up recurring payments with eBill.

Future invoices will arrive around the tenth of each month and payments are due by the first of the following month.

Can my employer pay for my individual coverage?

Individual plans cannot be employer-sponsored plans but small employers may offer a Qualified Small Employer Health Reimbursement Arrangement (QSEHRA) or Excepted Benefit Health Reimbursement Arrangement (EBHRA) to pay for individual plan premiums. Check with your employer if this option is available and how reimbursement is made. Otherwise, you will be responsible for paying your monthly premiums directly to Delta Dental of Oregon.

Does it matter which dentist I see?

Yes. You'll save money by seeing an in-network provider for your plan.

Can I switch to a different plan at any time?

No. You will only be able to change medical and/or dental plans during Open Enrollment. Open Enrollment dates are subject to change due to government regulations. Please visit DeltaDentalOR.com/shop/dates to see what the current enrollment periods are. If you experience a qualifying event, such as getting married or moving to a new state, you may be able to apply for Special Enrollment outside of the Open Enrollment period.

Which plans can I purchase through the federal Marketplace?

You can enroll in all Moda Health individual medical plans through DeltaDentalOR.com/shop and HealthCare.gov. To enroll in a Delta Dental plan through HealthCare.gov, you must enroll in a medical plan at the same time. If you make changes to your medical plan, you must reselect your dental plan or you will lose your dental coverage.

Healthcare lingo explained

We realize that health plans can be confusing, so we've made you a cheat sheet of sorts. To find even more definitions, visit the Learning Center at DeltaDentalOR.com/shop.

Balance billing

Charges for out-of-network care beyond what your dental plan allows. Out-of-network providers may bill members the difference between the maximum plan allowance and their billed charges. In-network providers don't do this for covered services.

Coinsurance

The percentage members pay for a covered dental service after they meet their deductible, if any. For example, they may pay 30 percent of an allowed \$200 charge, or \$60.

Deductible

The amount members pay in a calendar year for care that requires a deductible before the dental plan starts paying. Disallowed charges do not apply toward the deductible.

Annual benefit maximum

The maximum dollar amount a dental plan will pay toward the cost of dental care for members ages 19 and over within a calendar year.

Marketplace

Also called an Exchange, a health plan Marketplace is where people can buy health coverage and apply for federal financial assistance. Oregon residents use the federal Marketplace, HealthCare.gov.

Maximum plan allowance (MPA)

MPA is the maximum amount that we will reimburse providers. A non-contracted provider may bill a member for any amount over and above the MPA. This may leave members with a high out-of-pocket balance.

Out-of-pocket costs

What members pay in a calendar year for care after their dental plan pays its portion. These expenses may include deductibles, coinsurance for covered expenses and cost of care after the dental annual maximum has been exhausted.

Out-of-pocket maximum

The most members (ages 0-18 only) pay in a calendar year for pediatric dental care services before benefits are paid in full, up to the allowable amount or up to any visit limit. Once members meet the out-of-pocket maximum, the plan covers eligible expenses at 100 percent. The out-of-pocket maximum includes deductible and coinsurance. It does not include disallowed charges or balance billing from out-of-network dentists.

PPO dentist

A dentist contracted in the Delta Dental PPO network. By enrolling in a PPO plan and choosing a PPO dentist, members' out-of-pocket expenses will be less than if they choose a dentist outside of the PPO network.
