

## EXTRA DENTAL BENEFITS

# Health through Oral Wellness<sup>®</sup>

When it comes to oral health, we know some people need more care than others. Delta Dental of Oregon's Health through Oral Wellness<sup>®</sup> program offers extra benefits to members who have a greater risk for oral diseases.

The program uses a clinical oral health assessment to identify which of your patients are at risk for caries, periodontal disease and oral cancer. Based on your patient's risk scores, they may qualify for enhanced benefits including additional cleanings, fluoride treatments, sealants and periodontal maintenance.\*
